## ID FUTURE STARS -- COACH RICK SINGER BIO

As a Life Coach for the past twenty-five years working intimately with CEO's, COO's parents, families, students, Athletic Directors and Head Collegiate Coaches, Directors of Admissions and high ranking Collegiate Administrators, Rick has created a profession focused on finding the "right fit" for his clients personally, professionally, academically and spiritually in order to help each person and situation exceed their expectations.

The past couple years, Coach Rick Singer has been working to overcome his conviction in the varsity Blues College Admission's case. He took full responsibility for his unlawful actions. Because of his poor decisions Coach Rick Singer spent a small amount of time at FPC Pensacola - a minimal federal camp in Florida. During the time spent, the Appellate Court of the United States of America ruled that in the case of two defendants and others that the government overreached their authority and the money Coach Rick Singer and his clients provided to university's nationwide was in fact a Donation not a bribe. Soon thereafter, the US government appealed the Appellate Court's decision to the United States Supreme Court, which also agreed with the Appellate Court on their decision of a Donation and not a bribe based on how colleges and university's do their business in the US.

Coach Rick Singer is now energized even more to take his Winning Formula with Life Coaching, Piloting, College Admissions and Athletic Coaching to knock it out of the park by exceeding the expectations of each of his clients.

Coach Rick Singer's background spans years playing collegiate sports - basketball, baseball and tennis at the Division 3 level. Then Coach Rick Singer became a professional athletic coach working at the Division 1, 2, 3 and Junior College levels coaching Men's Basketball, Women's Softball, Men's & Women's tennis and several more.

Utilizing Coach Rick Singer's competitive nature and willingness to help others exceed their goals in life, Coach Rick Singer created ID FUTURE STARS and The Key Worldwide, which became a huge success guiding and coaching thousands of families and their students into the "right fit" undergraduate or graduate school before helping change the trajectory of seasoned professionals positively. Additionally, Coach Rick Singer worked directly Piloting many C Level leaders build themselves up personally, professionally and spiritually.

The enormous past success Coach Rick Singer has created is the catalyst for his amazing energy and excitement he and his team have towards life coaching and identifying our next FUTURE STARS globally.
