

Congratulations!

You've conquered perhaps the hardest part of your finances; the part most of us wish we didn't have to do. Budgeting is the tool that will shine a light on the map to your future dreams and security. Without it, you're shooting in the dark. Celebrate the work you did!

MY IDEAL BUDGET

The most important "want" that I included in my Ideal

Budget is _____. It's the most important
noun

because being able to afford it would make me feel

_____. I _____
adjective was / was

include it in my Actual Monthly Budget. _____ able to

include it, I need to earn \$_____ more each month

to be able to include it in my next Monthly Budget

revision.

MY ACTUAL BUDGET

The most "need" that I budget for every month

_____ It's the most important
noun

because it makes me feel _____
adjective

The one thing that I included in this budget that I've never

included before is _____. The category that
noun

I most _____ having in my Actual Budget is
feeling

noun
