*What goes into this bucket for you? Do you spend about the same every month?
Are there special things you do every year that you have to save for?*

*What do you
do for fun?*

*When's the
last time you went to
concert? Golfing? Took a
music lesson?*

*What's one fun thing
you would like to weave
into your budget that
you never have?*

*How much time do
you spend having fun?
How much money?*
