

ARE YOU THE ONE

HIGH SCHOOL -- JOB -- CAREER

- At the beginning of 11th grade each student will be assessed with the opportunity to take advantage of IDFS' College Admissions coaching and support and or take advantage of Are You The One's results from each student's prior testing to realize an opportunity to Bypass College and utilize his or her intelligence, maturity, and skills to entertain a Job or Career upon graduation from high school.
-
- Depending on the path each student desires to take and with the coaching of IDFS on Career Pathways and Collegial Benefits, the student will have All the information to make an Informed Decision on his or her best pathway.
-
- Summer after graduation and after IDFS has guided the student throughout 11th & 12th grade to achieve a college acceptance to a Philippino University or one in the US or where the right fit is for the student and family the student takes an IQ, EQ & Problem Solving/Critical Thinking Assessment to set a baseline of the students growth from the past years and a placeholder prior to his or her next growth spurt.
-
- Throughout 11th & 12th grades each student will participate in AYTTO's competition and Assessments to help determine each person's abilities compared against their competition in the Philippines and beyond.
-
- In **11th & 12th grade** if a student has the soft and hard skills and talent via IDFS' Assessments, Talent Competitions and Special Talents from 9th -10th grade and has made the Decision not to attend College but would rather start a job and Career in the future these students will start their **Co Op Program**.
-
- Twice a year we have a Talent contest by grade level, then by school in done by districts, by city and by country (Assessments include All 4 disciplines of academic rigor Language Arts, Science, Social Studies, Math plus special talents, building legos, robotics, performing arts, fine arts,

engineering, digital design, and sports. The Newest focus is on SPECIAL TALENTS to utilize for future decisions.

-
- Throughout 11th and 12th grade each student that has a desire to pass on College and would rather go to work utilizing their passion and desires will have a chance to change Co OP's each semester or stay at their job based on the **Review** provided by the CO OP business leader.
-
- Upon graduation and continue IDFS Assessments, Special Talent evaluations each student in conjunction with **PASA Jobs will be placed and receive 70% of his or her compensation and the other 30% would be utilized for dorm/apartment housing (set up by the government or businesses or donors/investors) near each workers job location in order to build culture, teach living skills, financial literacy and any additional skills based classes needed to enhance a candidates abilities at work especially for 17-20 year old workers who have not been on their own before.**
-
- **All** workers in their first year of employment up to age 25 will have at least one year residency in the dorms/apartments to ensure life skills, financial literacy, culture and socialization and enhancement courses offered and taught to improve the skill level of each worker.
