

Numbers: Your Bigger Picture

If you can fill this out for the last 12 months, great, do that now. If you don't have the information you need to fill out the past, then just start today, and keep it up over the next year. And as the years go on, if you really want to keep on top of where you are with your money, keep filling a new one out each year.

Important Numbers	Jan	Feb	Mar	Apr	May	June	July	Aug	Sept	Oct	Nov	Dec
Earnings												
- Spending												
= Difference												
↑ Did you have anything left over?												
Progress → Did you save? Make progress on debt?												
Debt
