Subject: RE: Follow up questions and Ideas to include in ou

We could do it by school but it is very scatered -- example 2 Williams 1 Amherst 27 Duke, 42 Georgetown etc...

If we do it by Tier 1 Most competitive schools that range from middle size schools - Harvard- Stanford, MIT, Washingtonton University St Louis, Dartmouth, Northwestern, Rice, Vanderbilt U Notre Dame. Emory etc. to small Harvey Mudd, Pomona, Amherst, Williams, Haverford, Swarthmore etc. and Large schools UC Berkeley, UCLA, U Virginia, USC, Georgia Tech, U Texas, U Michigan, top 5-6 or add UC San Diego, U North Carolina, U Illinois, U Washington

and total the number of kids or say of their first choice certain mumber admitted or do you want who went there- the number is very different since we applied to 12-20 schools many times and admission at many schools happened per kid?

I can give you what you want and will help us be strong and better.

I could possibly give you Early Decision and Early Action numbers at all schools that offer

Early Action -- SMU, Tulane, U Denver, U Miami, TCU, Chapman, Loyola Marymount, etc..
